Re: March 2017 monthly report

I would like to send my condolence to the Graziano family for their loss of Joseph Graziano. The Graziano family was the owner a restaurant in the Borough for many years. They were a business part of this community for many years, they gave donations to help Chesilhurst.

School:

The board voted to have STA Transportation Inc, to the transportation contract for the 2017-2018school year.

They also voted to cancel the April 17, 2017 Regular Meeting and to reschedule the Regular Meeting and the Budget Hearing for Monday April 24, 2017.

As we are looking for members of the community to come with ideas and more involved community affairs.

Thank You,

Councilman Waters
